## ABOUT US

Malla Reddy Engineering College and Management Sciences (MREM) is sponsored by Vemula Raghava Reddy Lakshamma Educational Society, which was established in 2008. The College is situated 25 Km away from Secunderabad Railway Station on Hyderabad - Nagpur National Highway (Medchal Road), Telangana, India. The college is located in 10 acres of serene environment which is lush green and free from pollution.

Malla Reddy Engineering College and Management Sciences is high with the sole objective of providing high quality technical education and with a commitment to make the institute an ideal place for the engineering aspirants to adopt professional skills, best engineering techniques to shape their desired career goals.

## COURSES OFFERED

### UG COURSES

#### B.TECH

EAMCET/PGECET/  
ICET/ECET CODE

#### MREM

- CSE -Computer Science and Engineering
- CSE -Artificial Intelligence and Machine Learning
- CSE -DATA SCIENCE
- CSE-CYBER SECURITY
- CSE- Internet of Things
- IT- Information Technology
- ECE-Electronics and Communication Engineering
- EEE-Electrical and Electronics Engineering
- MEC-Mechanical Engineering
- CIV- CIVIL EngineeringCIVIL Engineering

### PG COURSES

- M.Tech (Structural Engineering)
- Master of Business Administration (MBA)

## VISION

*To become a global institute of excellence by generating high quality engineering and management professionals capable of problem solving, design thinking and interdisciplinary skills with a blend of ethical and social values for the sustainable development of the society*

## MISSION

1. To impart updated pedagogical techniques with supportive learning environment and state-of-the-art facilities.
2. To cultivate a culture of interdisciplinary approach, problem solving, innovative ecosystem and entrepreneurship through encouraging, critical thinking, team work, research driven activities with hands-on-learning
3. To instill ethical, social and environmental concern values through community engagement resulting in sustainable development of society

## HIGHLIGHTS

- Highly Experienced Professors
- Well-Equipped / Research Labs
- Group Discussions and Seminars
- Tie up with Industries & Experts
- Specialized hands on Projects
- One to one Mentoring Program

## We Are Committed To Provide The Best Education

# MANAGEMENT

## SRI. V MALLA REDDY – Chairman

Education is empowerment leading to foster individual, social, professional and economic development and it shapes the difference between the worlds today. **Sri V MALLA REDDY**, Chairman, is the backbone of Malla Reddy Engineering College and Management Sciences. His dynamic and intelligent leadership leads to phenomenal growth of the college. His vision is to bring technical education to the door step of rural India

## SRI. V KRISHNA REDDY – Secretary

**Sri. V. Krishna Reddy**, with a strong will power and dynamic leadership, is guarding the broad layout of the institute. He is well fascinated for youth development. With his hardships and inbuilt entrepreneurship of technical education, he endeavors to reach one and all. He stands as a main pillar in the growth of the institution.

## Dr. S. Sudhakara Reddy – Principal

A visionary and a dynamic leader, **Dr S.Sudhakara Reddy, Principal**, has rich teaching and industrial experience for over three and half decades. As an administrator, he has been instrumental in acquiring accreditation status for most of the institutions that he has worked with. He has spearheaded the transformation of the institution from an ordinary engineering college to a 'Centre of Excellence' to produce globally competent engineers. A distinguished scholar with lofty ideas, Dr S.Sudhakara Reddy has played a significant role in revamping, restructuring and reorganising the systems at the previous colleges. He obtained his B.Tech Degree in Mechanical Engineering (Production) from Kakatiya University, Warangal, M.Tech Degree in Design and Production Engineering (Machine Tools) from NIT, Warangal and M.B.A (Human Resource Management) from Dr. B.R. Ambedkar Open University, Hyderabad. He obtained his Ph.D. in Mechanical Engineering from Sri Venkateswara University Tirupati, Andhra Pradesh. The research work related to his Ph.D was carried out at Defence Metallurgical Research Laboratory (DMRL) and Advanced Research Center for Powder Metallurgy and New Materials (ARCI) at Hyderabad. His area of research includes Tribology, CAD/CAM& Advanced Manufacturing Technology. He has authored four text books and published 56 technical papers in national, international conferences and journals. He is a life member of various Professional bodies. He is fellow of Institution of Engineers.

## CAMPUS OF EXCELLENCE

## QUALITY POLICY >>>

*An Effective Source of Technology Manpower for the Nation and to contribute to the growth of the Nation by constantly upgrading the quality of Technical Education by meeting the challenging needs of the Society and effectively coordinating the activities of the Staff, Students and the Industry while keeping the ethical and moral standards required.*

## <<< FACILITIES

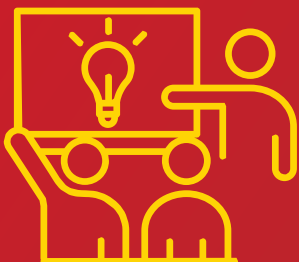

- A spacious seminar hall to accommodate more than 1000 people.
- Computing and communication facilities for worldwide information access.
- All departments are well established with laboratories comprising of state-of-the art sophisticated equipment.
- Digital and conventional Libraries with high speed Wi-fi internet connectivity.

## FACULTY >>>

- Faculty from Learned Academic Institutions/Universities/Industries and Reputed R&D Organizations.
- Aiming, stimulating learning environment beyond the lecture hall, Problem Based and Application Oriented.

## <<< TEACHING

- Faculty aims at developing human values, business etiquettes, emotionally balanced and recreation in the stressful achievement oriented curriculum.
- The best value based technical education with professional ethics .

## GAMES & SPORTS >>>

- Located at a comfortable distance of about 20 Kms from Secunderabad Railway Station.
- College buses from all parts of the city. Free Transportation from Medchal to Campus.
- Comprises of 2 blocks in 10 acres of Land. Lush green campus with Cosy and peaceful atmosphere.
- Practical industrial training to bridge the gap between class room teaching and practical world.
- Periodical organization of co-curricular and extra-curricular activities for personality development of individuals.
- Personalized counseling and parental care are made possible by the Mentor - Mentee Scheme, where a small group of students are assigned to each faculty member for monitoring and guidance.
- NSS Unit

## <<< GAMES & SPORTS

Facilities for the following Games and Sports are available: Table Tennis, Carroms, Chess, Volleyball, Football, Basketball, Badminton and Cricket.

## Transport >>>

College buses are available to cater the needs of the staff and students of MREM connecting every nook and corner of twin cities. apart from TSRTC buses, seven-seater auto rickshaws plying up to the gate of the college.

## <<< Placements

A full fledged Training & Placement Cell is established to arrange placements and for higher studies (In India & Abroad), along with soft skills Training & Entrepreneur development training. About 90% of the eligible students have already been placed in various organizations such as Infosys, Wipro, HSBC, Genpact, Oracle etc. and around 30% students have opted for higher studies in India and Abroad, **MALLA REDDY ENGINEERING COLLEGE AND MANAGEMENT SCIENCES** trains every student to be a skilled to fulfill the global requirements
