

6.2.1. The institutional governance and leadership are in accordance with the vision and mission of the Institution and it is visible in various institutional practices such as NEP implementation, sustained institutional growth, decentralization, participation in the institutional governance and in their short term and long term Institutional Perspective Plan

The Strategic Plan and deployment strategies based on the Vision, Mission, and SWOC analysis. A significant observation from these documents is that many of the major plans have been successfully implemented during the last ten years. Setting up an Malla Reddy innovation and Entrepreneurship Development Cell Entrepreneurship Promotion and Incubation Center (MRiEDC) to nurture Innovation and promote entrepreneurship. Setting up of rainwater collection pond to address the issue of non-availability of groundwater in the campus.

The Interdisciplinary Research Centre was set up during the year 2021 to foster research in the field of Artificial and Machine learning, IOT and Cyber Security with seed funding by the college, the lab has been built to develop the cutting-edge technology for carrying out ground-breaking) is spread over an area of 2500 sq. ft and facilities that provide end-to-end support for artificial intelligence characterization.

The organization is supported by five levels of hierarchy as shown in the Organogram. The administrative set up is made up of the first three levels with the Governing Board being the body at the first level that manages the operation and planning and monitoring at the institutional level. The functional administrative bodies at the third level are those which execute the activities pertaining to academic and day to day requirements Executive Staff who are in charge of various administrative functions and the statutory Committees such as the Finance Committee, Women Empowerment cell, Grievances and Redressal Committee and Anti Ragging Committee whose functions are as prescribed by the authorities.

Recruitment is done after ascertaining the vacancies in various cadres either by direct recruitment or promotion from a lower cadre as decided by the selection committee. In case of direct recruitment, the vacancies are advertised in leading daily and applications are called for from suitable persons and selection is done based on an interview by a panel of experts, including external experts.
